TypeMaster: Solo Typing Challenge

Event Overview:

- The "TypeMaster" competition is a fast-paced individual typing challenge designed to test participants' speed and accuracy. Each participant will have a limited number of attempts to achieve their highest possible score. The event will be open throughout the duration of Catalysis, allowing participants to compete at their convenience.

Event Rules:

Attempt Limits:

- Each participant is allowed two attempts in total.
  - o One trial run to familiarize themselves with the system.
  - o One actual run, which will be counted as the final score.
- No additional attempts will be granted under any circumstances.

Scoring & Tie-breaker:

- The primary score will be based on typing speed (words per minute).
- In case of a tie, accuracy will be used as the deciding factor.

Eligibility:

- All students from Dayananda Sagar College of Engineering are allowed to participate in this event irrespective of their department and semester.
- Participants must carry their ID card to the event. They won't be allowed to participate without a valid college ID.
- Participants must be registered for the event in advance.
- This is an individual event so teams are not allowed.

Time Limit:

- Each actual typing attempt will have a fixed time limit, which will be announced before the event.
- The trial run will also follow the same time limit but will not count toward the final score.
-

Ethical Considerations:

- Original Effort: Each participant must complete their typing attempt individually without any external assistance or automated tools.
- Fair Play: Participants must not attempt to tamper with the system, modify scores, or gain an unfair advantage in any way.
- No Disruptive Behavior: Any attempt to disrupt the event, interfere with other participants, or manipulate results will lead to disqualification.
- Respect for Participants & Organizers: Participants must maintain a professional and respectful attitude toward fellow competitors, event staff, and judges.

Judging Criteria:

The submissions will be evaluated based on the following criteria:

Typing Speed (Primary Factor)

- Participants will be judged based on their Words Per Minute (WPM) score.
- The higher the WPM, the better the ranking.

Typing Accuracy (Tie-Breaker Factor)
- In case of a tie in WPM, accuracy percentage will determine the winner.
- Accuracy is calculated based on the number of correctly typed characters relative to the total input.

Penalty for Errors
- Any misspelled words, incorrect characters, or extra spaces will affect accuracy.
- Repeated or excessive errors may significantly lower the final score.

Completion within Time Limit
- Participants must complete their attempt within the specified time limit.
- If a participant stops typing before time expires, their score will be based on the text completed up to that point.

Prizes:
- Only two prizes will be awarded - one for the winner and one for the runner-up - based on the participants' scores according to the judging criteria.

Grounds for Disqualification:
- Participants may be disqualified for violations of the event rules or not adhering to ethical considerations.

Disclaimer:
- The event organizers reserve the right to modify the rules and guidelines at their discretion. Participants are expected to adhere to the rules, and any disputes will be resolved by the organizers.

By participating in "Typemaster," participants agree to the terms and conditions outlined in this rule book.
